About Me

By Mili

Hi, my name is Mili and I am 9 years old. I live in Abu Dhabi and am from India. I am going to start AI beginner level 2.. I like coding, playing the keyboard, drawing and swimming.

About My Journey In The Internship

I've had a very warm journey during internship. I had the chance to learn speech recognition, speech synthesis and image recognition.

About And How To Use My App

About My App

My App is a Story Generator. You can interact by speech synthesis technology and it will understand you by speech recognition technology.

Thing To Know

Thing To Know

*Please use good internet connection and
microphone*
